

Luke Vella

UI Developer & Designer

lukevella.com
hello@lukevella.com
Malta, MT

Summary

I am a multidisciplinary developer with over 5 years of professional experience. I've delivered multiple products to market, often overseeing projects from concept, through design and completion. I enjoy staying on the bleeding edge of technologies and discovering better and more efficient ways to improve my workflow. My strong design background allows me to both communicate my thoughts effectively when working in a team but also work independently.

Skills & Expertise

Projects

- | | | |
|------|--|--|
| 2015 | Rally
Web Application
Rally is a collaborative scheduling service that helps people vote on a date to host an event. | rally.co |
| 2013 | Freeshot
iOS App
Freeshot is an iOS app for the Dribbble design community. It has been downloaded over 25,000 on the App Store. | freeshotapp.com |

Work Experience

- 2014 - 2015 **ArtWalk NYC** artwalk.city
Freelance Developer
Developed a CMS built on top of Wordpress to deliver data using a RESTful API.
Developed an iOS app using the AFNetworking library to consume and present data from the API.
- 2012 - 2014 **Zeepex** zeepex.com
Frontend Developer & Designer
Designed and developed a single-page application using object-oriented and modular javascript. Developed an isomorphic javascript plugin that given some basic information could find social media profiles belonging to a user in real-time.
- 2009 - 2011 **AWHPoker**
Frontend Developer & Designer
Created a web application that interfaced with the gaming network's SOAP API to display information from the network's back-office to the poker room's users.
Responsible for the design and development of multiple internationalized websites and marketing tools.

Education

- 2009 - 2012 **University of Malta**
B.Sc. Computer Science & Artificial Intelligence
